

Niccolò

Presskit

A film by Axelle Granet , Clémentine Diprizio, David Florian, Hugo Michalet, Pachomius Njolai, Sirui Liu

Pitch

A gifted musician's pursuit of fame traps him in the audience's demands—until a broken violin forces him to choose between hollow applause and true artistic freedom.

The Directors

We are a group drawn to the allure of dark, gothic aesthetics. What unites us is a fascination with the madness of chasing fame and a deep, unwavering passion for what we love. Our generation questions the price of success, and we explore that tension through our art. In our film, we channel these obsessions — the emptiness behind applause and the raw beauty of authenticity — shaping a story that's as haunting as it is heartfelt.
